FDT und andere IDE's

Francis Varga // @LittleBuddha87 // basilicom GmbH
Mattes Groeger // @MattesGroeger // Wooga

Integrated Development Environments **// FDT und andere IDE's**

Context

- new IDE.factory("**FlashBuilder 4**");

- new IDE.factory("**IntelliJ**");

- new IDE.factory("**FDT4**");

- addEventListener(**PRESENTATION.END**);

Integrated Development Environments **// FDT und andere IDE's**

Introduction

- Developer, Trainer, Teacher

- Juwi MacMillan, Volkswagen, basilicom

- Technolgy Evangelist (Ruby, CouchDB, HTML5, EXTJS)

Integrated Development Environments // **FDT und andere IDE's**
Flash Builder 4

- Module Compiler

- GUI Preview

- different src structure

- Fast compile

- Good MXML Support

Integrated Development Environments **// FDT und andere IDE's**

IntelliJ

- Many PlugIns (TeamCity)

- GIT Support

- Good Support to another languages

- Templating

Integrated Development Environments **// FDT und andere IDE's**

Introduction

- Developer, Trainer, Teacher

- Powerflasher, wooga

- Architect, Agile

Integrated Development Environments // **FDT und andere IDE's**

FDT Main Features

- Live Error Highlighting

- Code Templates

- Quick Fixes

- Code Formatter

- SWC browsing

Integrated Development Environments **// FDT und andere IDE's**

Code Generation
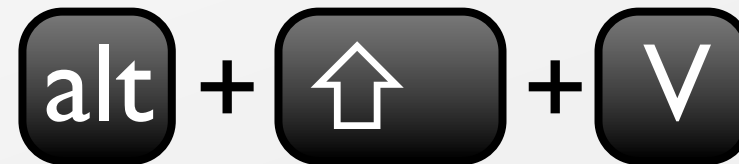

- Auto Completion

- Quick Fix

ctrl +

⌘ + 1

Integrated Development Environments // FDT und andere IDE's

Refactoring

- Rename   `alt` + `⇧` + `R`
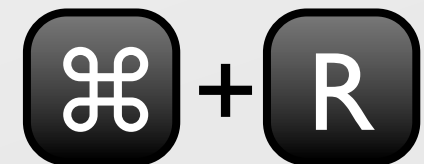

- Move   `alt` + `⇧` + `V`

**Integrated Development Environments // FDT und andere IDE's**

Code Navigation

- (Quick) Outline View   ⌘+O

- Jump to declaration   F3

- Type Hierarchy   ⌘+T

- Dependency View and Visualizer   ⌘+U

- Reference Search   ⌘+R
